A black and white photograph of a two-story school building. The building has a flat roof with several small windows. The entrance features a set of double doors. A large sign is mounted on the front of the building, displaying the text "On to Victory, On to Victory, EAST JAY JUNIOR HIGH. We will fight and we will win 'Cause spirit's on our side." Below this, smaller text reads "FALL SPORTS \$1.00". To the right of the main entrance, a vertical sign on a post reads "EAST JAY HIGH SCHOOL". The foreground shows a lawn and a sidewalk leading to the building.

On to Victory, On to Victory,  
EAST JAY JUNIOR HIGH.  
We will fight and we will win  
'Cause spirit's on our side.

Having a strong defense, improved backfield and tackling skills, good team spirit, and strong determination is how coaches MIKE SMITH (left) and RON STITH (right) described their team this year. They indicated a need to get more people involved, to get the game together earlier in the season, and a wish for a single regulation size football for all schools.

Coaches GARY SMITH (top) and JOE FREEMAN (bottom) have enjoyed seeing their team work very hard and also its improvement this season. They especially enjoyed the game in which they were saved from defeat by a surprise interception. Both coaches would like to see more boys go out for football and to be able to have more speed on the team.

Lea Selvey could be called "Coach Jack of all trades" as we look into his past to see him not only teach Science but coaching football, basketball, baseball, and track. This year another trade was added to his list as he tried his hand at cross country. While he watched his crew improve he dreamed about what it would be like to have a more scenic course at East Jay for cross country, possibly around a lovely lake. And what a dream the season turned out to be as novice cross country coach Selvey engineered his team through an undefeated season with an East Jay award going to a female as "Runner of the Year." Mr. Selvey felt that the team was to be commended for its perseverance and hard work, with little recognition, bringing back many laurels to our East Jay tribe. East Jay can be proud of their c.c. team as well as its coach, Mr. Selvey.

ROW 1: Jack Hardyman ROW 2: Gary Valentine, Rory Fifer, Scott Minnich, Rob Hunt, Arron Stephen, ROW 3: Coach Lea Selvey, Brian McGailliard, Nick Miller, David Young, Chad Janak, Chris Colpaert, Rob West, Sara Raunecker, Aaron Williams (not pictured Mike Fisher, Mike Michel)

Sarah set a new school record, 2000 meters in 7 minutes and 32 seconds. Out running all of the girls and most of the boys against whom she competed. In every race she ran Sarah finished either first or second. Congratulations to Sarah Raunecker.

## SEVENTH GRADE

The challenge of teaching the fundamentals of basketball to his East Jay squad and watching their progress and development gives Lea Selvey the pleasure and satisfaction that most coaches can identify with. After coaching basketball for two years Mr. Selvey feels that the success of this season can be attributed to the talent and desire of his team. The pride and dedication that Mr. Selvey has invested in his team has been reflected in this year's success.

## EIGHTH GRADE

ROW 1: Donnie Schlosser, Mike Ashman, Phil Rinard, Ranier Koch  
ROW 2: Mgr. Jeff Koszut, Andy DeHoff, Joe VanSkyock,  
Scott Shoemaker, Mgr. Jim Diller  
ROW 3: Jon Tarter, Mark Mumby, Mike Gillespie, Dennis Cole, Matt Franks, Craig Toms,  
Coach Dave Bergman

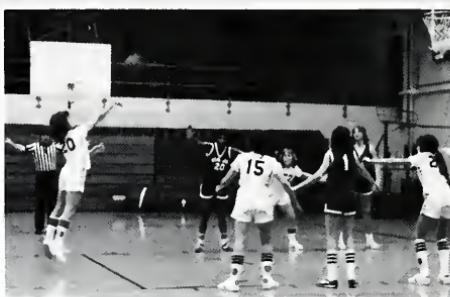

An eight year veteran to East Jay basketball coach Dave Bergman has also coached cross country and track. The enthusiasm displayed by our East Jay athletes is one of the pleasures Mr. Bergman particularly enjoys. Along with a super year of eighth grade Chieftain basketball was the apex of the season "Homecoming time." Mr. Bergman and his team have provided "Hoosier Hysteria" entertainment and pride once again to our "Chieftain nation."

# BASKETBALL

Coaching basketball for five years MARY CHIDDISTER enjoys seeing the girls improve as she works with them. The difference in the boys game when compared with the girls game is the amount of skill acquired by the boys who are trained much earlier than girls. Regardless coach Chiddister and her crew have had a very impressive season, one of which we can all be proud.

ROW 1: Mgr — Carol Lingo, Coach — Mary Chiddister, Mgr. — Michele Engle ROW 2: Carrie Thornburg, Nichole Silverman, Sherri Rust, Suzanne Inman, Laurie Wappes, Phyllis Overla, Melinda Bone, Cathy Laux, Dawn Smith, Sarah Raunecker, Donnica Schlosser, Amy Stucky

Coach KELLY MOSER has enjoyed her coaching status for five years. She has been particularly happy with her girls improvements and their end results this season. If there could be any improvements it might be more concern for the girls game by the officials according to Mrs. Moser. Thanks go to the coach and her team for a great season.

ROW 1: Kim Stachler, Elaine Laux, Rachael Kunk ROW 2: Mgr. — Karin Hedges, Jana Hontzler, Angie Davis, DeeDee Harriett, Christy Addington, Coach — Kelly Moser, Marsha Donnally, Lori Bruns, Dixie Strait, Jill Frantz, Mgr. — Jerrilynn Morehouse
